CHAMPION SPORTS GROUP (CSG) TIE-UP ANNOUNCED

Champion
Skills School

'A real game changer for the Kids Initiative' is how Poole Town

FC's vice chairman Richard Gale described this week's news that the club would be linking up with local sports provider CSG. CSG work with over 1,300 children across the area with social action projects, coaching in primary schools, evening futsal sessions, an advanced coaching program as well as a full-time education pathway.

The new link up will see more social action programs starting this summer with free to attend football sessions being hosted at Turlin Moor and Hamworthy Park.

CSG is headed by former Dolphin Dan Neville and returning player Lee Burbidge who has just re-signed for Poole Town this summer.

KI Supports Poole Food Bank with a £500 Donation

The Kids Initiative are delighted to announce the link up with another local charity, Faithworks Wessex.

This local organisation provides food banks, help for rough sleepers and lone parent families, debt advice and recovery (support for those with an addiction or habit).

With all football suspended during the lockdown the KI have pledged funds to help local charities support the vulnerable during this period.

In May the KI donated £500 to the Poole food bank operated by Faithworks.

Going forward, with the return of football activities, the KI are looking to help a local community project, which Faithworks support, called Smile Connect.

Smile helps lone parent families in the local area and we hope that the wide range of initiatives maybe able to help these families.

Summer 2020

WAVE 105 CASH FOR KIDS UPDATE

Due to the Covid 19 situation the fundraising for 1000 Faces has slowed dramatically.

KI is still 100% behind this cause that does so much good work for children in the local community, so we ask that you visit the website and become one of the 1000 Faces for 2020.

Any donation of £10, £20, £30 or more is welcomed.

Please visit: wave105.com/faces-ptfc

Thank you to all our fans who always give so generously to our causes.

CAYP Receive a Donation of £600

In April KI were able to donate £600 to Christchurch Activities for Young People, a charitable organisation who have become a major food crisis response centre. The funding enabled them to buy an enormous amount of food from Fareshare (the national food redistribution and food waste reduction charity).

Julia's House £260

As a long-time supporter of the Children's Hospice Charity it seemed appropriate for KI to donate £250 (plus an additional tenner!) collected from the Poole Town FC Derby Race Night to Julia's House in response to the 2.6 challenge.

READY STEADY GO-KART: Josh's

Challenge for Poole Town FC

Josh Faramus hopes to raise £2000 by travelling 140km on his pedal go-kart to raise money for his cherished football club, Poole Town, their youth teams, and The Kids Initiative Programme.

A former pupil of Linwood school, living with high-functioning autism, Josh is arguably the club's biggest supporter. Josh's dedication to the club has even seen him become the much loved, unofficial drummer boy for Poole Town FC, and now he wants to help support this 140-year-old club and its excellent community work.

Josh has built and decorated a go-kart in Poole Town's red and white colours, hoping the sight of it might attract new supporters to the club.

Josh has set himself the challenge of travelling 140km in his go-kart from 20th – 24th July.

He will complete an incredible 575 laps of Bournemouth Velodrome and would be ecstatic if he could reach his fundraising target of £2000.

Poole Town FC Chairman, Chris Reeves says: *"What Josh is doing for the Club, which means so much to him and to so many more, has given us all a massive lift. He is a truly inspirational character and I am proud that Poole Town has his allegiance. I so hope that he gets all the support and backing that his efforts so thoroughly deserve".*

The club are extremely grateful to Mike Wheeler from Cracking Media for the time and generosity in the design of this newsletter
